

SPRINT Robotics Award 2018

The SPRINT Robotics Collaborative aims to achieve the field use of robotics for inspection and maintenance of capital intensive infrastructure assets on a large scale to address immediate needs and long term industry priorities.

We believe that this can be achieved by promoting the development, availability, application and commercialization of robotic techniques in technical inspections and maintenance of capital intensive infrastructure.

THE AWARD

SPRINT Robotics will present an award for **ground-breaking collaborative work towards acceptance of inspection and maintenance robotics in 2018, in recognition of activities that support our vision.**

WHO CAN APPLY?

Any company, other than an asset owner or operator, that contributed to the vision of SPRINT Robotics, may apply for the award.

HOW TO APPLY?

Complete the nomination form available on the SPRINT Robotics website and submit it via email to info@sprintrobotics.org

DEADLINE

The deadline for nominations is **30 September 2018**

WHEN, WHERE AND HOW?

The winner will be announced at the 1st World Conference for Inspection and Maintenance Robotics, scheduled for November 13th and 14th 2018 at the San Luis Spa and Conference Center in Galveston, Texas, USA.
For more information go to www.sprintrobotics.org/conference/.

WHAT IS THE PRIZE OF THE AWARD?

The prize includes:

- The SPRINT Robotics Award 2018 trophy.
- Publication of an exclusive article in a recognized robotics and/or NDT/inspection magazine on the company and its activity/achievement for which it received the award.
- A press release.
- Hotel accommodation and flights for the recipient of the award (1 person, economy class).

HOW WILL THE WINNER BE SELECTED?

The winner will be selected by means of a majority vote by the SPRINT Robotics Program Committee.
